

# RANCHO CORDOVA Economic Index™

Our Rancho Cordova Economic Index has improved 3.2% or 4.5 index points due to growth in four of five index components over the past year. Review the performances of each component to evaluate the impact on the overall index. Click "read more" or contact the Rancho Cordova Chamber of Commerce for a copy of an individual report.

Our Number

The latest Rancho Cordova Business Confidence Survey™ taken in January 2016 shows business leaders are slightly less optimistic about the future of our local economy as compared to six months ago. However, 70% of respondents expect business conditions in Rancho Cordova to improve in the next 12 months.
